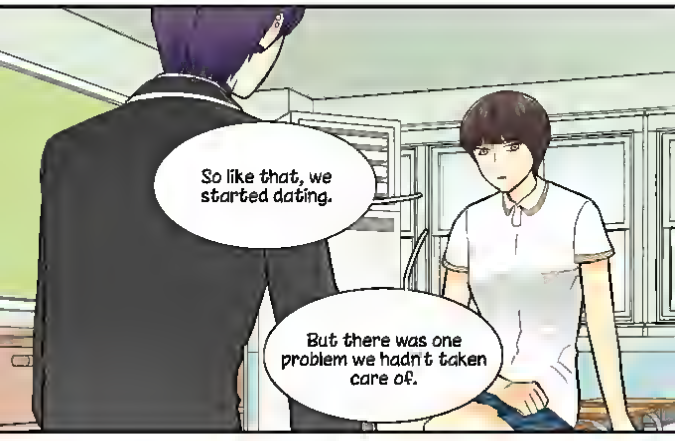
I need you.



So like that, we started dating.
But there was one problem we hadn't taken care of.

Huh? Darin, there's a call for you.

Who is it?

Oh... a friend.
It's someone you don't know.

I'll take this and be right back.
Oh.
...Okay...

Maybe.

Oh, hi.
Where is Dorin running off to?
Like someone's chosing him...

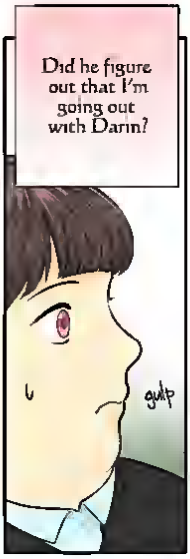
Wait,
is there something going on?



Did he figure out that I'm going out with Darin?

For now, let's keep our relationship a secret

There's nothing going on.

If they weren't this strong, they would have rotted out the moment I saw you, right?

Hey...
Darin...
Yeah?

The dating thing... Shouldn't we rethink this...?

If I think about it now, it really was too sudden.
You have a girlfriend, too...
Don't say things like that!

Im going to break up with her!
I told you clearly the first time.
I need time to break up with her.
Can't you be patient?

Sorry...

You're not angry because of this, right?
You're really the only one I have. Just wait a little.

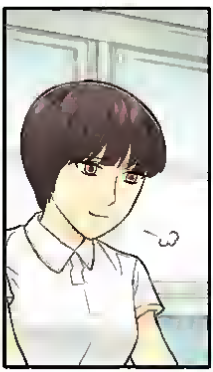
You trust me, right?

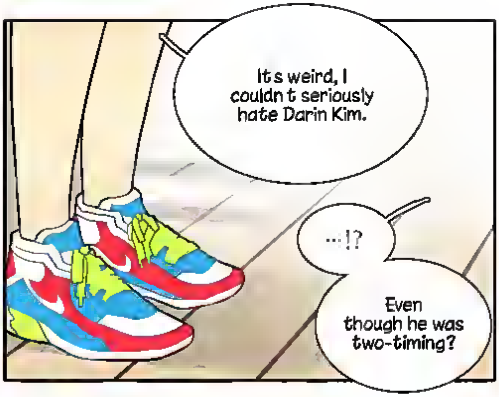
SFX: crash!!

T/N: HIS PLAYTHING FOR HIS ENTERTAINMENT

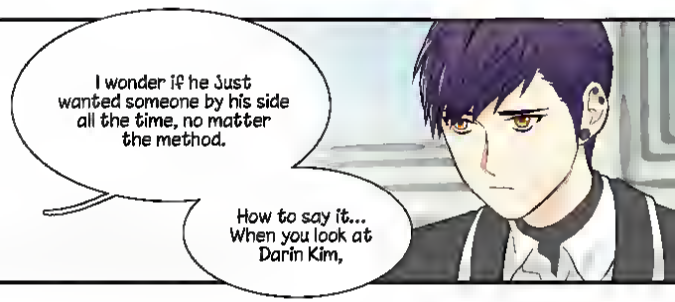
Aren't you even angry?

...Well,
I also ditched him and played around with Pear-oppa.
No difference between us, really
That's true... But still...





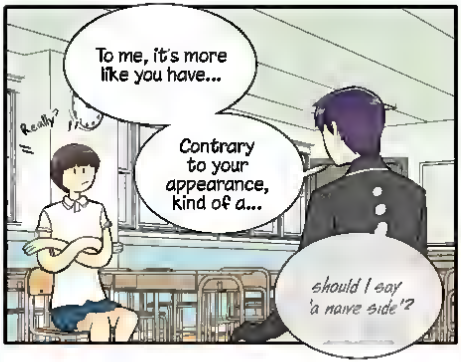
It's weird, I couldn't seriously hate Darin Kim.
...!?
Even though he was two-timing?



I wonder if he just wanted someone by his side all the time, no matter the method.
How to say it... When you look at Darin Kim,

doesn't he seem... fragile?

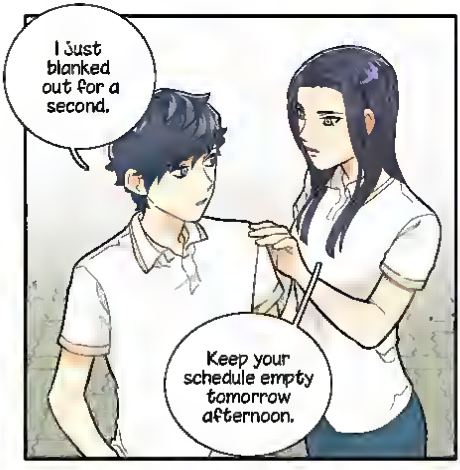
Not at all.



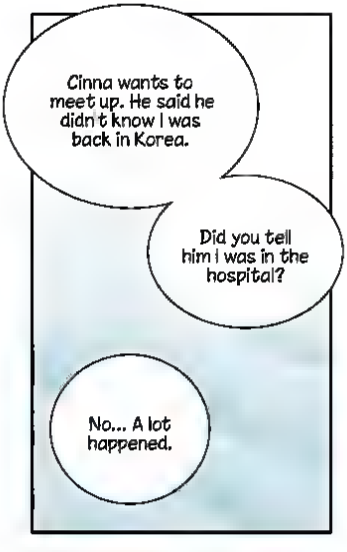
To me, it's more like you have...
Really?
Contrary to your appearance, kind of a...
should I say 'a naive side'?

Of course, I was really angry when he told me his former girlfriend was back.

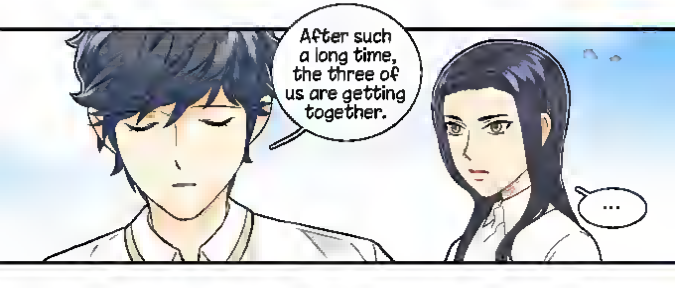
What are you staring at?



I just blanked out for a second.
Keep your schedule empty tomorrow afternoon.



Cinna wants to meet up. He said he didn't know I was back in Korea.
Did you tell him I was in the hospital?
No... A lot happened.



After such a long time, the three of us are getting together.

I like the way things are now. I...

Weren't you frustrated that you couldn't tell anybody you were dating Darin?

I was embarrassed af myself, too.
I thaught that... even I would hate ta say I had such a fat girlfriend...

I'm getting angrier the more I think about it...
Why did Strawberry Shin, with that kind of guy..
Ugh
Wally,

are you maybe going out with Berry?

No, Im not.
haha
Oh, really? Kato told me a weird rumor, so I had to ask.
I really made a mistake with the last blind date... Next time, I'll find you a real girl.

Hyung...do you like Strawberry Shin?
As in, like, like.
Tell me honestly.

...Um...

Honestly, at first I thought she'd be nice because she was bright and cute.

But after meeting Cherry...
I really have no interest in her.

Should I say she's a comfortable little sister?
I like Strawberry Shin.

Do you remember that girl I mentioned, named Ah-Young?
The one that liked Darin?

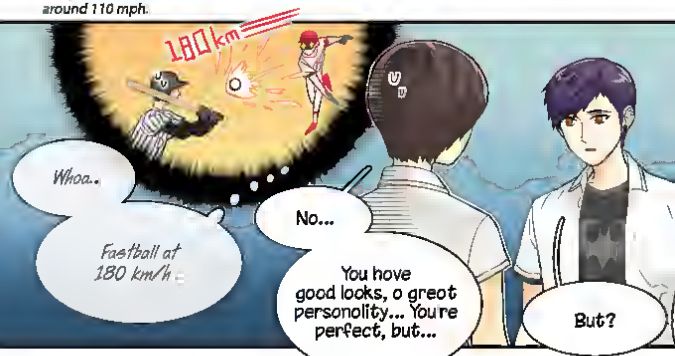
I heard she and Cinna started going out.
I was surprised, too... They were probably flirting all along and I never knew.

Haha...
Cinna having a girlfriend is strange enough, but who knew he'd do well with Ah-Young...
What about me?

Huh?
No matter how much I think about it, I like you.
What do you think about me?
Do you hate me?

T/N: 180km/h is around 110 mph.



And um... We haven't known each other for very long... So...

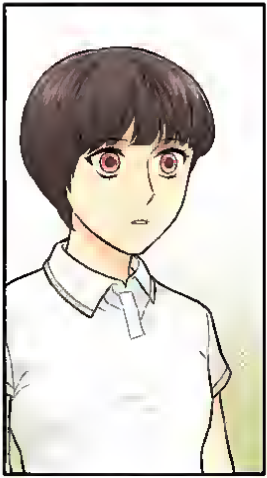
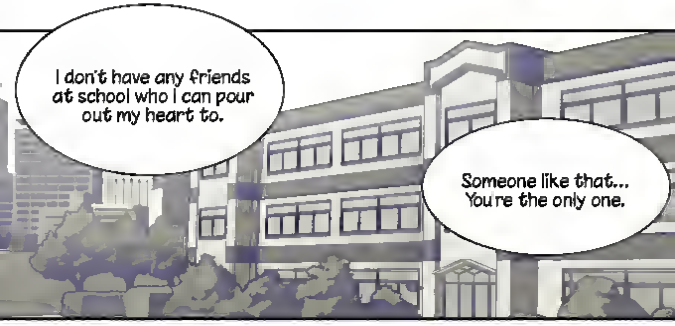
Pear-hyung won't criticize someone else's choices.
And how long we've known each other isn't important.

Even if you reject me, I'll accept it, so tell me honestly.
Though if she rejects me I won't give up.



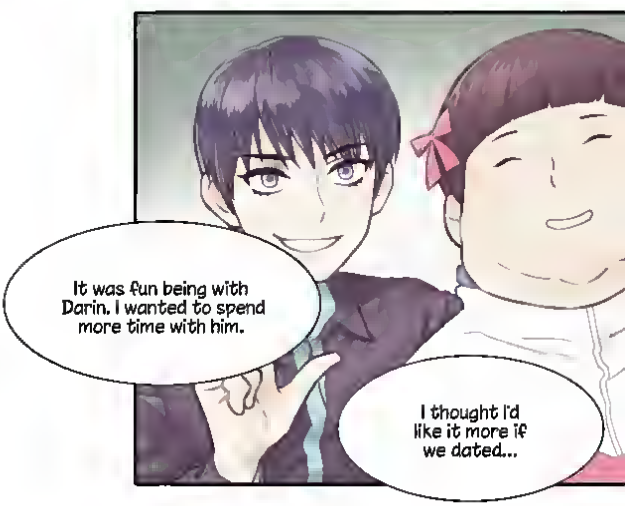
I don't want to lose you.



I don't have any friends at school who I can pour out my heart to.
Someone like that... You're the only one.

But what would I do if I can't see you anymore...
What are you saying?!
If we go out, we'll see each other more often, not the other way around.
Even if we break up, I...

I don't want to fail you like I did Darin.



It was fun being with Darin. I wanted to spend more time with him.
I thought I'd like it more if we dated...

Why do you treat me coldly...?
Perhaps previously I handled things a bit harshly, I admit that,
but in the end, didn't things turn out the way I said they would?

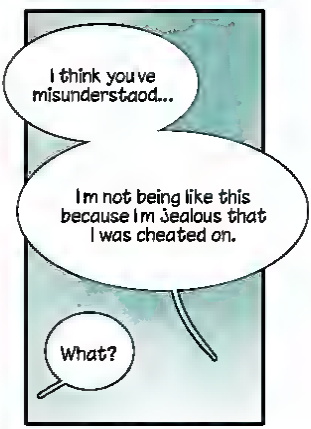
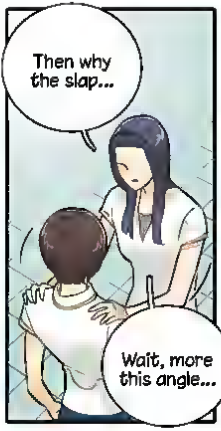
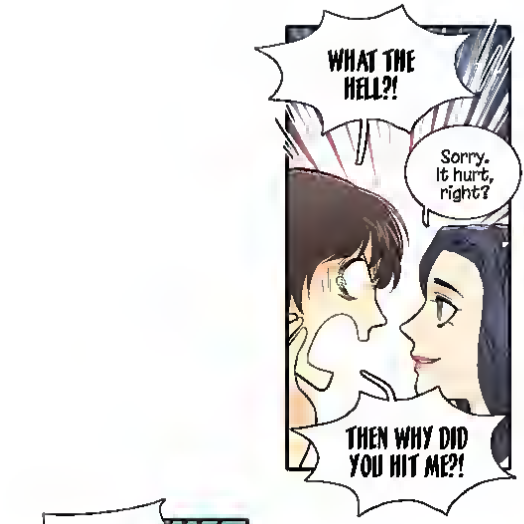
Gosh!
You understand? Really?



I think you've misunderstaod...
I'm not being like this because I'm Jealous that I was cheated on.
What?



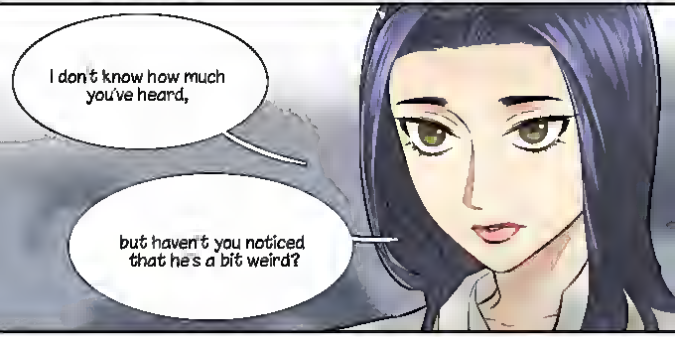
Sfx: Slap!!



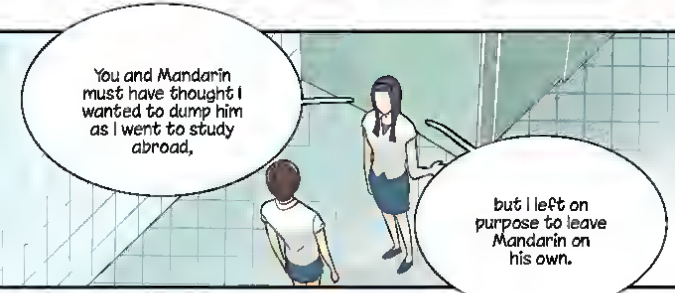
WHAT THE HELL?!
Sorry. It hurt, right?
THEN WHY DID YOU HIT ME?!

INTEAD, JUST TALK!
I BET YOU'R DOING THIS BECAUSE MANDARIN KIM AND I CHEATED ON YOU...
Didn't I tell you that this wasn't the case?

Hmm...
How much do you know about Mandarin Kim?



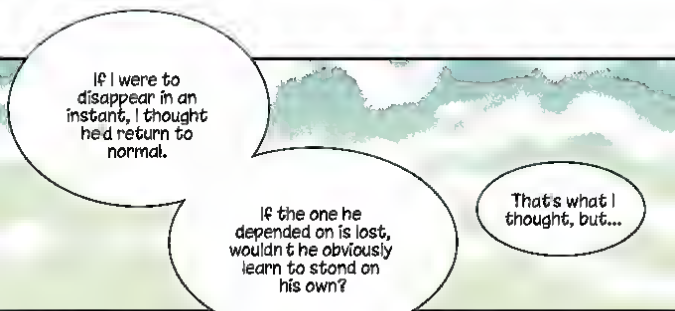
I don't know how much you've heard,
but haven't you noticed that he's a bit weird?



You and Mandarin must have thought I wanted to dump him as I went to study abroad,
but I left on purpose to leave Mandarin on his own.

For what?!
Darin suffered so much because of that...

Haven't you heard of no pain no gain?
Mandarin Kim was in a serious condition back then. The way he depended on me was almost like a disease!

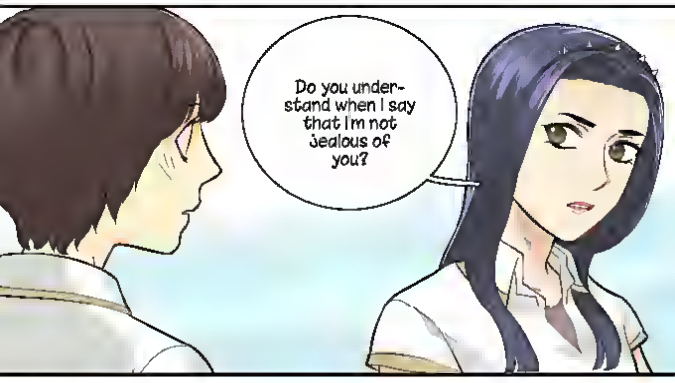


If I were to disappear in an instant, I thought he'd return to normal.
If the one he depended on is lost, wouldn't he obviously learn to stand on his own?
That's what I thought, but...

Since you showed up, everything's been ruined.

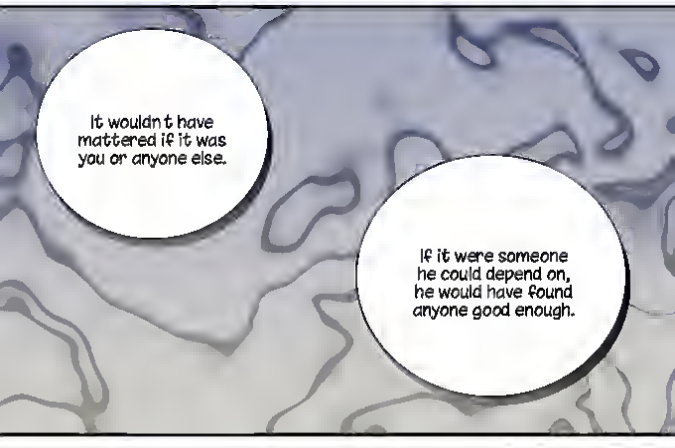
Who'd have known he'd only change the person he depended on...
Even if it were Mandarin Kim, I didn't know he would go to that extent...

I'm sorry for hitting you but it really angers me.
If you weren't there, things might have been resolved more easily.



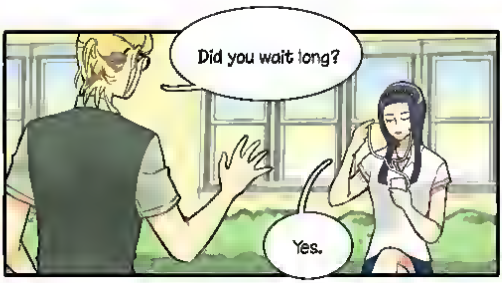
Do you under-
stand when I say
that I'm not
jealous of
you?

Do you really think
you were needed
by Mandarin Kim?
Don't fool
yourself.

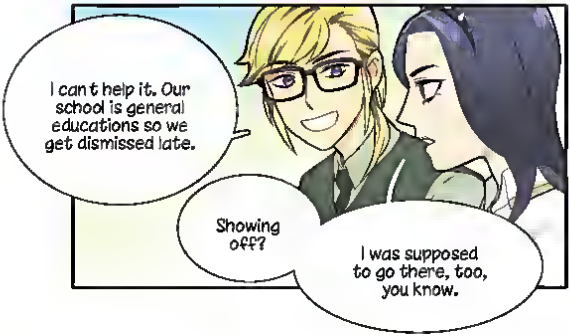


It wouldn't have
mattered if it was
you or anyone else.
If it were someone
he could depend on,
he would have found
anyone good enough.

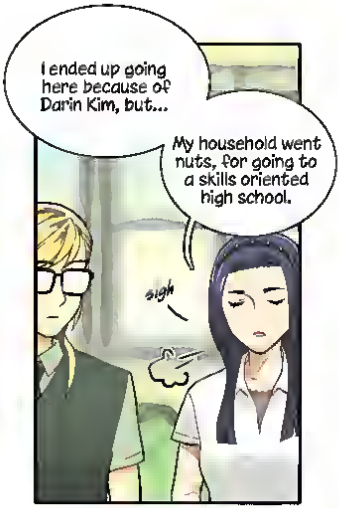
It's just that, that
anyone was you.



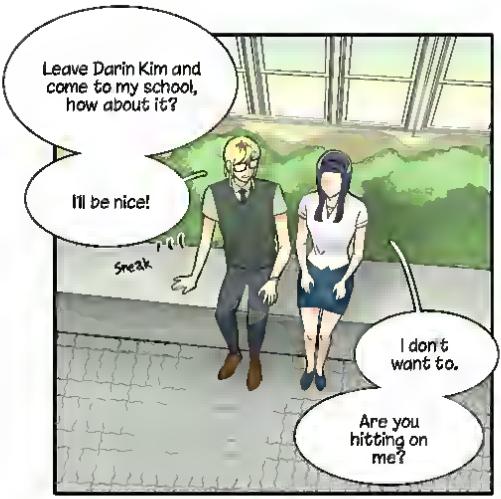
Did you wait long?
Yes.



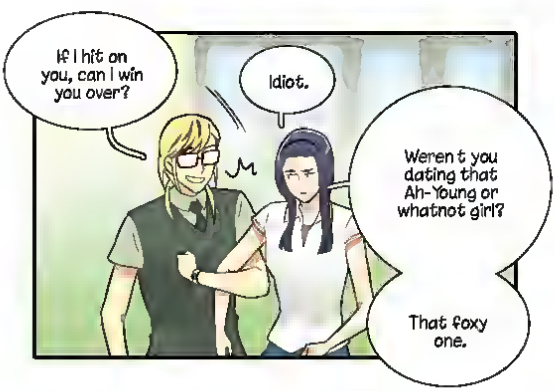
I can't help it. Our school is general educations so we get dismissed late.
Showing off?
I was supposed to go there, too, you know.



I ended up going here because of Darin Kim, but...
My household went nuts, for going to a skills oriented high school.
sigh

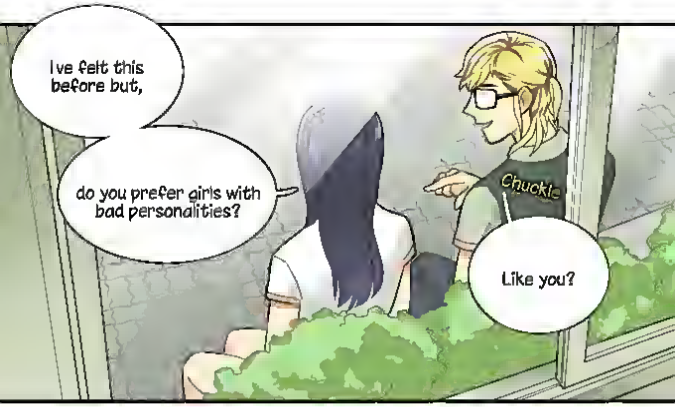


Leave Darin Kim and come to my school, how about it?
I'll be nice!
Sneak
I don't want to.
Are you hitting on me?



If I hit on you, can I win you over?
Idiot.
Weren't you dating that Ah-Young or whatnot girl?
That foxy one.

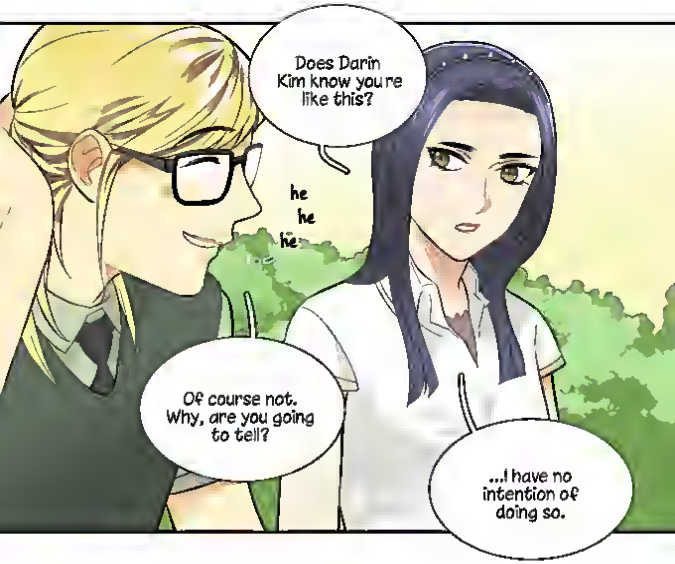
It ended la-ong ago.
How long ago was that?
...



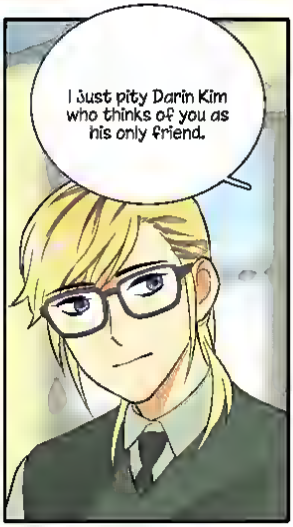
I've felt this before but,
do you prefer girls with bad personalities?
Like you?
Chuckle

Don't be like that, how about we go out for real?

Dorin Kim can't handle you, anyway.
He's too naive.



Does Darin Kim know you're like this?
he he he~
Of course not. Why, are you going to tell?
...I have no intention of doing so.



I just pity Darin Kim who thinks of you as his only friend.

...Mandarin Kim is also my one and precious friend.
Yup yup~

There are points he lacks, but I'll protect him.

What?

Just that it seems it will be that way forever.

What was?
Your second.

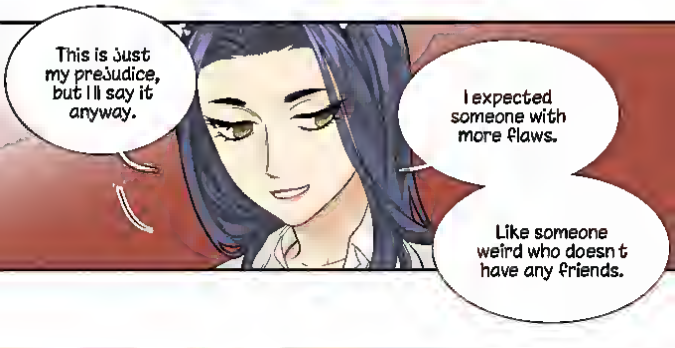
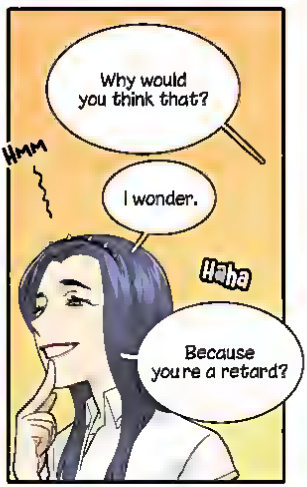
And she had a normal personality.
Why is that unexpected?



This is just my prejudice, but I'll say it anyway.
I expected someone with more flaws.
Like someone weird who doesn't have any friends.

Or someone with a complex about their appearance.



Why would you think that?
Hmm
I wonder.
Haha
Because you're a retard?

I thought you'd be swinging around someone way below your level.

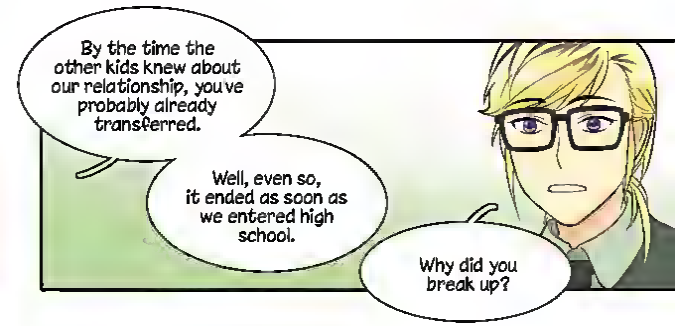
Ah... about
Mandarin Kim?

You and Darin Kim...
We broke up.
When did you even go out?!
You wouldn't have known. It was a secret.

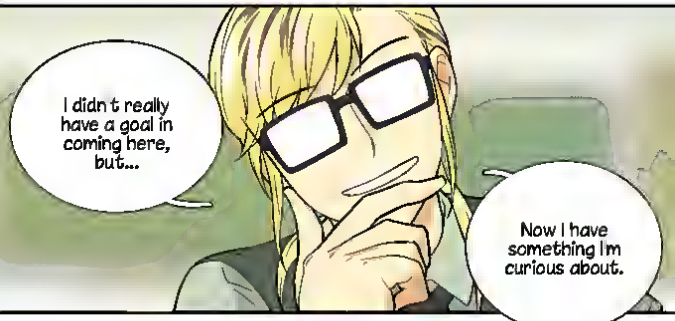


By the time the other kids knew about our relationship, you've probably already transferred.
Well, even so, it ended as soon as we entered high school.
Why did you break up?

...I wonder. Some things just happened...
Do you think you'd go out with him again?

It seems like Darin Kim still has feelings for you.

No.
Turns
If for some reason you came because Darin Kim told you to...
That's not it.



I didn't really have a goal in coming here, but...
Now I have something I'm curious about.

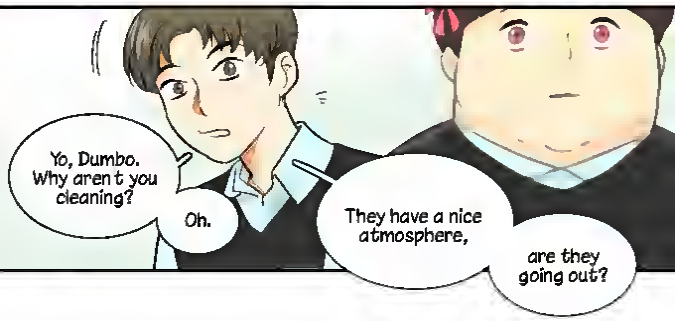
You want to know how I did it?
You gonna do it too?
No.

If I must say, I'm more curious about why you did it.
What do you mean, why...

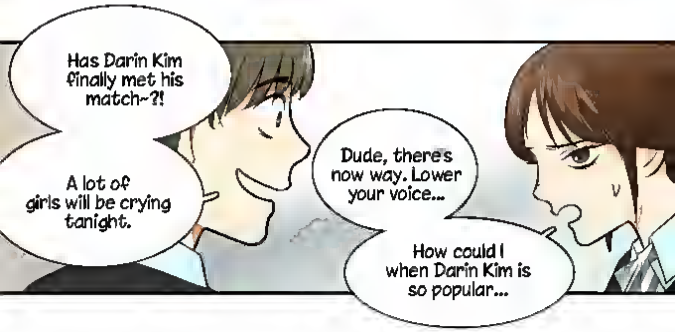
You know it isn't a simple thing to lose that much weight in such a short amount of time.
And it's weird that someone who was as responsible as you is now being treated like a bitch at school.
Did something set you off?



Yo, Dumbo. Why aren't you cleaning?
Oh.
They have a nice atmosphere,
are they going out?

Whoa, you know you guys look good together?
Huh, what are you talking about?

In-school relationship~ I'm telling the teacher!
But it's not? It's nothing like that!
We were talking about the art class I go to!



Has Darin Kim finally met his match~?!
A lot of girls will be crying tonight.
Dude, there's now way. Lower your voice...

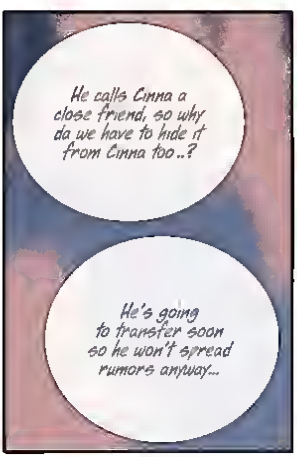
I can't tell whether or not this is real. Is it because it's a secret relationship?

I can understand that for the other kids but...



He calls Cinna a close friend, so why do we have to hide it from Cinna too..?
He's going to transfer soon so he won't spread rumors anyway...

I wanted to finish our conversation from earlier.
I have something to tell you too.
Then do you want to meet up tomorrow? I'll pick you up.

Alright, see you tomorrow.
Yeah. Ok.

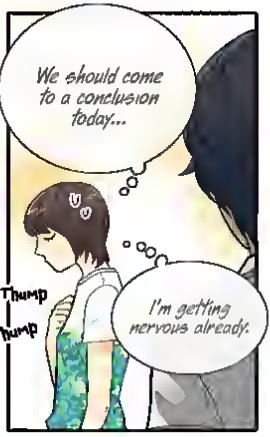
There's still time before we're supposed to meet, so I don't need to rush.



We should come to a conclusion today...
Thump

I'm getting nervous already.

Seriously
...
Haaaa
So persistent. What are you, a stalker?

...Don't always be like that. My feelings can get hurt too.
Would it hurt you to speak a bit more gently?

GENTLY? ARE YOU EVEN THINKING STRAIGHT?
GENTLY??!
MY BLOOD PRESSURE RISES JUST BY SEEING YOUR FACE.

...Wait.

SFX: Stop

It's weekend, so why the uniform...?

Have you...
been waiting here since last night...?
YOU... YOU'RE REALLY CRAZY, AREN'T YOU!
DID YOU THINK I'D BE TOUCHED?
Didn't you see it?

I sent you a text.
...Last night, I said I'd wait until you come out...

Can't we

I'M SORRY FOR EVERYTHING THAT'S HAPPENED UP TO NOW. IF YOU'LL JUST FORGIVE ME...
I PROMISE I'LL MAKE IT WORK OUT THIS TIME.
PLEASE JUST GIVE ME ONE MORE CHANCE.

That's...not possible.

I have to go meet someone, so....
You...you don't trust me, huh?

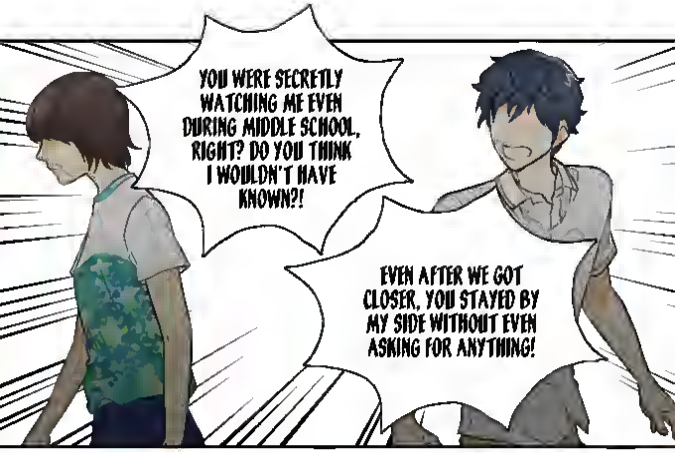
This time it's real, Im...

Your sincerity isn't the problem.
It's too hard for me to go out with you again.
Oh.
...It's always like that.
People feel pain just from seeing their ex.

...Well, good-bye then.
YOU... YOU'RE...
YOU'RE NOT JUST AN AVERAGE PERSON THOUGH!
YOU LIKED ME FOR 3 YEARS!



YOU WERE SECRETLY WATCHING ME EVEN DURING MIDDLE SCHOOL, RIGHT? DO YOU THINK I WOULDN'T HAVE KNOWN?!
EVEN AFTER WE GOT CLOSER, YOU STAYED BY MY SIDE WITHOUT EVEN ASKING FOR ANYTHING!

WE'RE NOT GOING TO JUST STOP SEEING EACH OTHER LIKE THIS!
I ADMIT TO MY OWN MISTAKES.

SO FORGET ABOUT THE WHOLE CHERRY KIM THING.

It's something that might hurt your pride, but...
I hope the things I'm about to say won't change anything.

What are you talking about?

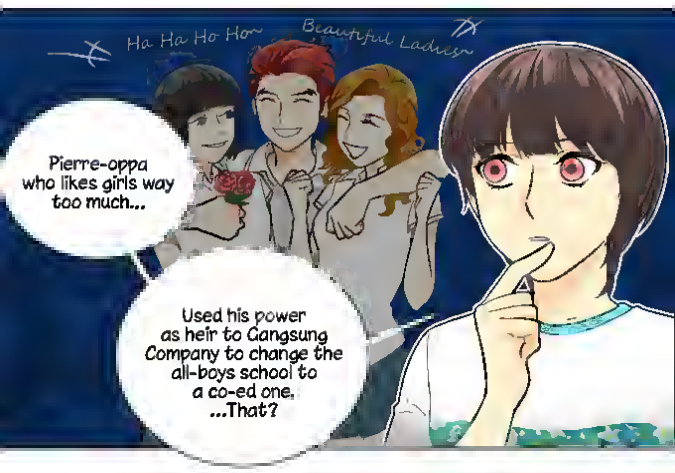
What about it?
That's the President's office.

President... Pierre-oppa's mother? ...Right?
Kind of.
Have you heard the rumor about Pierre-hyung and the President?



Ha Ha Ho Ho
Beautiful Ladies
Pierre-oppa who likes girls way too much...
Used his power as heir to Gangsung Company to change the all-boys school to a co-ed one. ...That?

It's a lie, that rumor.
Huh?

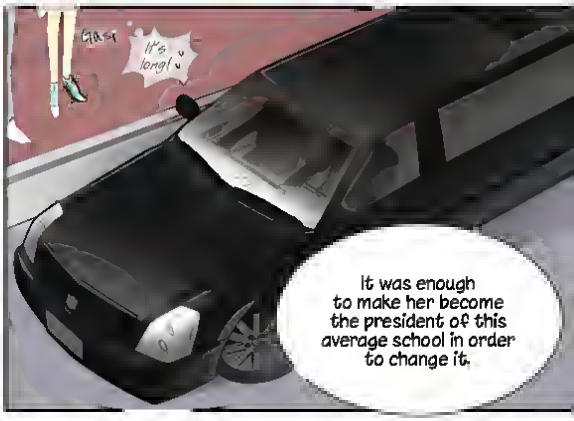
It was for my sake, not Hyung's.

I enrolled in this school because it was the only all-male school in the area.
STARTLE
Everyone back home went crazy. They didn't want to admit that I was afraid of women and wanted to stay away from them.

Especially my mother.



It's long!
It was enough to make her become the president of this average school in order to change it.

We have come to serve you.
